We are writing this letter to announce the results. The response we received for the same was extremely overwhelming and it was very difficult for us to choose the winners.

We are proud to announce the winners and also congratulate the all participants. If your name is not listed as one of the winners do not get discouraged as there will be many more opportunities in the future. Such a competition are a stepping stone and each experience help you to learn. Hence, a positive attitude is what makes you extraordinary.

We hope you enjoyed participating as much as we enjoyed conducting the competition. We look forward to organize many more such competitions.
